

Immersive, hands on history school trips covering the Tudors, Castles and Stone Age.

### The Stone Age - KS2

See if you can survive the Stone Age in our 3/4 day workshop with 4 set activities:

**Tools and Hunting** Follow stone age hunting development by identifying flint tools before making your own spear, tracking deer and having a go at archery.

**Shelter and fire building** Using branches and furs build your own shelter for your tribe and try to light a fire using stone age tools.

**Cave painting by candlelight** Study pictographs before creating your own by (led) candlelight.

**Prehistoric monument** Enjoy a team game to roll boulders across the landscape and build a henge.
