£55 pp

Wreath Workshop

Get into the festive spirit by crafting a door wreath from British foliage and decorating it with scented decorations.

£55 pp

Minimum numbers: 10
Maximum Numbers: 40

Roots & Bloom CIC aim is to reconnect people with the natural world, and to improve people's mental and physical well being through the joys of growing flowers! Most of their flowers are grown a stone's throw from Manor Oaks House and when they're out of season we source from other British growers.
